## How it works

Points are scored by comparing your results to your fellow runners. The more runners turn up, the more points are up for grabs if you beat them! The aim is to score you against your club mates rather than the runners from other clubs.

e.g If you're the only one that turns up in your age category (well done to you!) then you get one point. If four turn up then the fastest gets four points, next gets three, etc.

Prizes will be awarded for completing five out of the ten races and there'll be age category prizes too (calculated from your best five results). You have to compete in at least five races to win the age category prize.

Any queries or if you see any errors; just let me know.

\*\* KENAN WAS ENTERED IN THE u16 (2 LAP) DISTANCE. AS HE WAS AHEAD OF THE U14 RUNNERS AT THE END OF LAP ONE HE'S BEEN ENTERED AS OUR u14 WINNER FOR THIS RACE
