CLAYTON HARRIERS NEWSLETTER

MARCH 1987.

Clayton le Moors Harriers were represented in 69 of the fell races featured in the Fell Runners Calendar 1986, the Pendle Fell Race (Barley) being the most popular. We were, I'm sure, out in force in some races not mentioned, and this can only be good for the club. However, quite a lot of members still continue to run races without wearing their club colours - I don't think it is too much to ask of members to consider wearing the club vest, and I use the word consider, because the FRA do not stipulate this as compulsory, as do the AAAs when racing cross country. Wear your vest with pride !

I have no details of the 1986 road racing scene as yet, but I am certain our members who participated in those events increased the number of races entered to well over 100. Well done to you all, and good luck to everyone for the forthcoming fell and road racing season.

## CLUB EVENTS - Reviews

Club Run - Fire Station, Burnley 14.2.87  
A small but dedicated group of runners turned up at this excellent venue, and members had the choice of road or country. Afterwards there were superb warm showers (even the shoes got a hose down) and plenty of hot tea, scones, jam, toast etc. Many thanks to Ian Perrow for organising it.

### NATIONAL XC CHAMPS, LUTON

This turned out to be quite a mystery tour from the sound of it - either that or the coach driver was wearing a blindfold, as he couldn't find his way out of Luton, or the M6 turn off on the return journey. Then the coach ran out of petrol in Ramsbottom ! Nevertheless, Clayton managed 53rd team, and a good time was had by all - except for the coach driver.

HABERGHAM '91 A tough course, but excellent venue and organisation. Congratulations to Roger Brewster and Vanessa Brindle, respective winners in the mens and womens categories. The race made £817 for the school, and a total of 489 competitors finished. Many thanks to all helpers, marshalls etc. Thanks also from the club to those who helped at the Burnley Mid Lancs league race.

### JACK BETNEY

On 18 February Jack was involved in a serious road accident whilst travelling to Preston and sustained extensive injuries to his head, chest and legs. He was taken to the intensive care unit at Preston Royal Infirmary where his condition remains critical. We have no doubt that all members would like to wish Jack a speedy and full recovery, and we hope for news of an improvement in his condition in the next few days. However, please DO NOT telephone his wife or the hospital - this is at the request of Mrs. Betney who has been inundated with 'phone calls from well meaning members. The club secretary and one or two other key members will be kept informed of Jack's condition, and this news can be passed on 'through the grapevine'.

### RUNNING REPAIRS

Other less serious casualties include Maureen Barlow - recovering at home from a back operation. Alan Heaton - recovering from an operation on an ulcer, and Dave Spencer - also recovering from a back operation. His address is 2 Sherborne Dr., Exley Head, KEIGHLEY. Best wishes to all three for a speedy recovery.

### NEW ARRIVALS

To Tony and Katrina Harulow - a boy, Simon Anthony.  
To John and Barbara Reade - a boy, Duncan (Disorderly? - Len's joke, not mine! L.)  
A new arrival also to John & Mrs. Hartley, but no details as yet.  
CONGRATULATIONS TO ALL.

### JOHN READE

Has written from the frozen north to say that any Clayton members travelling up to Scotland would be most welcome to stay with him and Barbara. Their address is:  
22 Skene Street, Strathmiglo, Fife, KY14 7QL. Tel 033 76 686  
They live directly under the Lomonds of Fife, over which there are 2 races:  
The Lomonds - AM 2,200', 9 miles May  
Falkland Hills - AS 1,200' - 3 miles June  
Other races within 20 mins drive are:

Dollar AM 2,200' 5 miles - June  
Largo Law CS 900' 5 miles - August

John is hoping to get down here for races throughout the season and is setting his sights on being a counter in Clayton's 3 Peaks Team. Both he and Gifford Kerr are running with Fife AC, and Gifford is destroying all the locals in training!

### CLAYTON GRAND PRIX?

Geoff Smith has written suggesting a Clayton Grand Prix, something on the lines of the Pendle Grand Prix organised by Gerry McCabe, but for Clayton members only, and including only fell races. He suggests that the races counting could be either all on Pendle, or in sight of Pendle. Anyone with any opinions on this idea, or suggestions can contact the newsletter editors.

## LATE NEWS

Peter Browning fell off a TOBOGGAN! whilst on a ski-ing holiday in the Alps, and has broken his left arm. Honestly, some people will do anything to get out of doing the Haworth Hobble.
