

Clayton Le Moors Harriers

Treasurer's Report 2019-2020

Well what a year! We managed to complete a few club races which had another good turnout before lockdown.

Rachael White has managed to get more funding, this time from Tesco's. From this we have bought new tracksuits and hi-vis jackets for the juniors.

We have bought Clayton buffs this year which has gone down very well with all members and has been another great promotion for the club.

No new coaches have joined us this year, however, we have had quite a few new sessions put on at the track with Marion and Michelle.

We again decided to affiliate to Northern Athletics, although this has slightly decreased.

As it stands I do not see a reason why the subscriptions should increase.

Leanne Ashworth
